

*ABCD* in Luton in partnership with *Love Luton* are launching the **#KeepLUTONTidy** campaign at this year's Great British Spring Clean.

The campaign encourages everyone who lives, learns, works or plays in Luton to take action by committing to do something that will create a town with spaces that are clear of weeds and waste in which we can all be proud.

## Join the movement *Sweeping* across Luton

Pledge to do your bit to **#KeepLUTONTidy** at a level that you can commit to:

-  I will pick up litter
-  I will keep my area clean
-  I will be part of an organised clean up group
-  I will lead a group as a **#KeepLUTONTidy Champion**
